**Author's Testimonials**

**Muslims, Baptists, Presbyterians, People of Various Races, etc. are reading this book multiple times.**

**A former offender got 2 jobs and had his probation reduced by 1 year!**

**A reader's senior citizen mother who used to fuss and complain about almost anything is now peaceful, happy, dressing up with shoes to match holding parties and attending clubs.**

Beginning January 2013, I lived in an apartment in Richmond, VA on Chamberlayne Avenue where there were 3 sewage outbreaks in less than a year. The sewage smells and general unhealthy condition of the place forced me to make an emergency move out. I moved out in November 2013. They took me to court for non-payment of rent in December 2013. The case was set to trial to be heard in February 13, 2014 when I asked the judge for it to be "set to trial" and showed the judge my written correspondence to the landlord detailing the sewage and roach infestation! I wrote that I was forced to clean up the sewage with my hands. Court was cancelled due to snow and rescheduled Feb. 21, 2014 unbeknown to me. I thought it would be in 2 weeks. **I was not present, but here are the rulings in the two cases from the clerk of court's mouth. October 2013 rent, the property management company "got possession" and "non suited the money in the case". November 2013 rent (because some of my possessions still there), "Monetary claim Non-Suited" In both, NO judgment for the money out there! Both cases dismissed! Dismissal WITHOUT prejudice.**

A big part of my fan base is men, as well as women. I derive so much personal emotional satisfaction in seeing this book impact the men as head of household.

When they “get it”, they are blessing their wives, fiancé, children. Everything and everyone with whom they are associated gets impacted by the miraculous when the man invests himself in this book series. It is life altering for me to witness this! I am witnessing the Bible being played out by men walking with God in miraculous power, real power, in all facets of their lives! Most people never get to witness this. Wow! 90% of the testimonials here are from men, but increasingly a lot of women are getting this book. I am getting so many more on almost a daily basis!

I went to the Laundromat and really wanted to talk with the lady, a stranger, about the book. The lady beside her replied that she is an author and that she was interviewed for her book on a local Virginia television show. Turns out her last name is “Fortune”, by marriage. She said her husband’s family is from King William County (the one next to Caroline County, Virginia). My deceased husband’s family is from Caroline County, Virginia also. This is obviously a supernatural answer to my prayers to meet my deceased husband’s kinfolk.

Upon leaving the Laundromat, I met the lady who runs it and she spoke of her side venture with sewing. I asked what is preventing her from making more side money. She said she needs a sewing machine but cannot check on one due to her work schedule. The Lord used me to give her extensive, sound direction on how to accomplish her mission, going around her work schedule, with barely any money. It is an investment.

On Martin Luther King Day 2014, a man and his disabled wife and disabled child had no food. God blessed me to be able to get them food through some churches, and a gift certificate, when Food Banks were closed. I was also blessed by some items I had lost being replaced while helping them.

### **Fabulous Testimonials...**

**One of the mainstays of this book is that reader’s IQ’s increase at an alarming rate from applying this book. One man went from reading 20 pages per day from one book, as a self-described “avid reader”, to reading 100 pages in my book and 50 pages in another book in a day! \*Relationship Healings \*Huge Character Development**

**\*Huge Personal Development \*Physical Healings \*Financial Healings**

### **Extensive Testimony**

**The disability check of a husband reading this book had been taken away. They reviewed it and now are going to increase it. This will double he and his wife's income. They will be getting a car soon and moving into an apartment of their own. The Lord had already spoken to him that his check would be restored. I spoke that they will back track the entire time he was wrongly paid. This is complete restoration from catastrophe. Many of these from the ashes of catastrophe testimonials abounding from this God-given book series! You see, God used the displacement to get his case into the hands of new sets of eyes! He is being more than tripled in so many areas of his life. He is also getting eyeglasses and so much more. I love it. I love it. I love it!!!**

### **Male Cancer Patient taking 75% less Pain Medication**

**A woman who has been home-bound due to limited mobility and limited endurance, for at least 2 years, due to the husband being ministered to from the book, was able to walk with the assistance of a walker, for hours around January 02, 2014. No pain.**

**A Divorce has been prevented.** Intimacy and touching, feeling Passion Restored in Marriage between a husband and wife.

### **Extensive, Ongoing Testimonial after a month on the book:**

Person who repeatedly witnessed his father beating his mother senseless and verbally abuse her when he was a child, is as an ordained minister, church leader, now getting relief from the torment on multiple levels. He was given over to foster care at an early age and rejected by his aunt when sent to stay with her. Neither his mother, nor her sister ever nurtured him. This experience from 20 years ago, caused multi-lateral trauma that also totally saturated and almost destroyed his romantic life with his woman. The effects of the book began in 2 days of him beginning it. He is truly now walking into completeness in his manhood. He has far more confidence, surety. No longer allowing his biological mother, who is still in his life, to dictate his life. The woman in his life, who has been through severe trauma, has become more loving as a result of him being ministered to from the book. She has never read it.

**Financial Blessings:** “Financial understanding and Assurance. Sense of Financial Security. Spiritual deposit of Unlimited financial wealth and Unlimited Resources.

Indepth renewed revelatory deposit towards my vision and my destiny.” Financial blessings are now flowing helping him and his family.

**Other Relationship Blessings:** “Forced Change. It didn't give me a choice but to change. Holy Ghost puts you in a position where you have to change. It forced my female to adjust to accommodate my change.”

“My clarity of discernment (in the spirit) and natural (discernment) have been improved. **Health blessings:** “Even my natural eyes have improved.” “Moved laryngitis out of my body. It usually takes 30 to 60 days, in only 3 weeks, it was healed.”

I even hear God better.

Sense of humor restored.

**“Level of optimism has increased.” “I am less sarcastic.”**

**“Increased level of expectation and increased awareness. A higher level of conscious. And I am only on page 5. I take it only 2 paragraphs a week.”**

“I am not a procrastinator, but it has given me a sense of urgency. Now, let's get it done. Let's make haste, not waste.”

**Help in dealing with past trauma:** To put certain things out where they can be analyzed and properly disposed of...you cannot get rid of anything you cannot confront.”

A woman who was continually raped by her adoptive father since the age of 3, and then raped by his brothers, ran away, and whose grandmother and father were witches, experienced huge benefits in 2 days of getting the book, on top of years of psychiatric therapy. (Father was a high level member of a secret society wherein

Jesus is renounced.)

A wife whose father wanted a boy and was only proud of her when she acted like a boy, is now being delivered from being hard. Was taught to never be feminine and her mother never intervened against abusive father. She was greatly used to speak God's word, even before I met her. She now knows that being feminine is not weakness.

### **3 Suicides Have Been Prevented so far**

One Man of God who is also a supervisor on his job, stayed up all night reading the book. The devil himself knows that the knowledge in this book empowers you to overcome the devil and the things he has brought into your life over the years. He hates this book. This man, began all night and all day receiving top notch business ideas for a non-profit and a for-profit. He had experienced the negativities of the foster care system in his early life, including rejection by his foster parents later in life.

Most readers are reporting transformed minds willing, able and not afraid to be around or confront things that literally were huge stumbling blocks in their past.

As people re-read the book, their speech greatly improves along with sophisticated thinking skills. In other words, people become smarter, brain moves much faster.

People are revisiting goals...exploits that they had cut short long ago with incredible confidence and marked success!

A cancer patient stays up all night reading the book, and re-reading it.

Cancer patients are keeping it on their person, and even under their pillow as they sleep. They are receiving sustaining power.

### **Extensive, Ongoing Testimony:**

A disabled adult patient had a 3 year "headache that is basically gone". He has developed the tenacity and fortitude (that is a spiritual awakening) to find the source

of the pain. "Once in a while I take a mild aspirin for it. I am now so positive."

"I am armed with how to think and how to tap into God." "Everything is possible with God. We attract limitations to ourselves."

"I had so much mess and debris in my room. Now I get up voluntarily and clean and my mother is ecstatic! I find other rooms to clean around the house even before she asks." He now enjoys cleaning since he no longer has that headache.

"I am now getting my life cleaned up. Cleanliness is Godliness." (A clean life that is.)

Part of your book says, "parents cannot execute God's judgment for you." And "the book says, 'How dare I get upset' at family's reactions". Now that he has a different attitude, he is getting along so well with his mother. "I have a lot of positive energy now. He told himself, it doesn't matter, headache or no headache."

"At first I just said whatever I wanted. My family is ultra opinionated, and says whatever they think. Now, I pay them no mind. I take the high road. I don't try to correct them either."

"My brother and I have never made it. He never visited. He is full of drama and mad about things 10 to 20 years ago. He torments our mom. Mom dreads his visits. He complains. Mom gets hooked into his complaining." "I must love my brother. Love thy enemy, even if he doesn't treat me right. If he knew better, he would do better. He is stuck in being miserable. Now, I am not stuck in misery."

The reader says he has gotten along better with his mom.

"I pay attention to what I am thinking and God is on my mind."

"It was very hard for me to let go of the past." DNA of Miracles has helped him.

"Now, I expect people **not** to forgive my past. I don't let the devil get into my head anymore."

I took 30 pages of notes from the book and I reread my notes or the book daily.

"I've been doing a lot of forgiving. Before I go to bed, I start forgiving everyone name by name. I go to bed and have great dreams. I even forgave my doctor."

“Must be in the present moment, daily, a chance to have miracles.”

Note: He now speaks at a normal pace, not like it is a chore as in the past. He can quickly articulate his thoughts and feelings. He has been digesting this book, Glory to God, for 3 months.

This gentleman treated me to lunch 02/04/2014 because he wanted me to hear an hour of further testimonials! He now loves to pray and never worries because he knows he can rely on God for answers for anything! (He bought a separate book on prayer alone!)

From a former offender, and husband, who is a powerful ordained minister, “I have been seeing miracle after miracle in my life.”

Cabinets in the kitchen and doors flung open all night in this woman’s house...by themselves. She awoke nightly to bruises being all over her body along with fang scratch marks and being choked at night. There were other horrific incidents in the lives of her and her sister. Spiritual beings of the evil sort were obviously making this occur. This had been occurring since her childhood because her grandmother was a full-fledged, practicing witch. The grandmother died a violent death. The mother, as if not convinced that it was attributable to witchcraft, including the horrors in her 2 adult children’s lives, began consorting medium...fortune teller after grieving their father’s death. (Fortune telling is witchcraft...illegal entry into spiritual realm without the Lord Jesus.) I met one of the children, shared with her wisdom from this book series, prayed with her, a total stranger, and suddenly, the nightly incidents ceased. The other sister still wants her to continue a relationship with the mother. The daughters hate witchcraft and what it has done to their families because of it being in the parental bloodline.

### **Extensive Testimony**

A weapons expert, combat veteran (Grenada), had lost everything (wife, car, house, no job) and was ready to give up on life itself. He stayed up all night watching television and praying to God for an answer. He awoke to my television show, and called me. I entreated him to use the veteran's services and he refused, preferring my book instead. I personally took him a copy of my book. Well, that was 3 months ago.

Now, he is **starting college January 6, 2014** online in information systems technology. Bachelor's degree. He was in a marriage, wife is on drugs. He met another woman whom he has known since high school. Funny thing is, she looks, talks and acts, just like me, Sheri Fortune. He had to convince his daughter for 13 minutes, with whom he shares a small apartment, that it was not me. She is retired from the Air Force and likes him because he is not trying to use her. **He wants to take care of her and doesn't want her money.** True man of God and quite humble and noble. As soon as his divorce is finalized, they will be together. **Quite romantic.**

**Financial Blessings** He is moving out into a house with his other daughter who is pregnant. (His kids love him.) After she has the child, he will try to get another house on his own. **He registered with an employment agency. A temp agency called him. He got a job working 10 hours a day, 6 days a week, with the a company that is the largest of its kind in the world. They love him and want to hire him full time.** He walked 14 miles to work one day when his ride did not come. The owner saw that effort and the rest is history! **In 3 weeks, he is getting a car!**
